Albany Enduring A's Chapter of MAFCA

2020 Issue 2 February

## From the President's Desk

Hello Everyone,

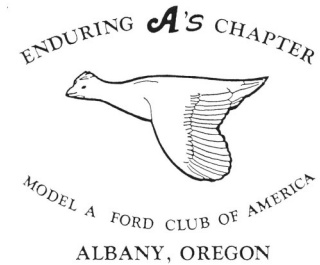

Can you believe we are in the second month of 2020? It seems like just a couple weeks ago we were all working at the swap meet.

January was a quiet month for the club as the weather was not very cooperative to having tours or just driving in general. We are going to change that this month (the driving part)! Let's hope Mother Nature works with us and gives us some sunny days, especially on February 15th, after our monthly breakfast at Pop's, Nick & Charissa are going to lead us on a tour to Helicopter Transport Services in Aurora. If you remember, we went there two years ago and had a wonderful time looking at the facility. This time, I have been told the tour will be a little different. The pilots will be there doing training. This means we will be able to watch these amazing aircraft take off, land, and any other maneuvers the pilots and ground crew may be doing. You really don't want to miss this amazing tour!

We are still in need of our Sunshine Person. If you would like to volunteer for this, please let me know. We also have five open spots we need to fill for bringing refreshments at our general meetings at the library. If you have any ideas for tours or programs, let us know and we can put it on our schedule.

Our general meeting for February will be at 7pm on Wednesday the 5th, at the Albany Library. I hope to see all of you there.

**Rolie Young, President**
