MODEL-A RATTLES

Albany Enduring A's Chapter of MAFCA

2019 Issue 11 November

From the President's Desk

Hello Everyone,

The holiday months are here, where did 2019 go? The Turkey will be on the table, family will be gathering and before we know it Thanksgiving will be here.

The club had a chance to rest up in October which is a good thing since we all know how busy we will be on the 15th & 16th at our annual Swap Meet. Glen tells me we are having good vendor participation and it looks like it will be another great event. Let's all hope that the weather will cooperate and it will be another successful meet. By now all of us should have been contacted by our Team Leaders, and know what and where we are expected to be on both days. I strongly encourage everyone to attend the club meeting on November 6th. Don will have some very important information to cover about the Swap Meet with our entire membership.

Coming up on December 4th will be our annual Christmas Party. Please make sure if you have already signed up to bring your deposit to the meeting or the Swap Meet. If you have not signed up you will still have a chance at the meeting and Swap Meet. We need a very accurate head count this year and a \$25 per person refundable deposit.

Thank you everyone and Happy Thanksgiving!

Rolie Young, President

OFFICIAL NEWSLETTER OF THE ENDURING A'S CHAPTER MAFCA - ALBANY, OREGON

From The Editor's Corner

The purpose of the club is to exchange ideas, share information and become friends with admirers of the Model A Ford in its original likeness. Membership is open to all who own a Model A (In any condition) or are interested in the Model A.

This newsletter is a monthly publication of the Enduring A's Model A Club, a chapter of the Model A Ford Club of America. All articles and correspondence to be used in the newsletter should be sent to the Editor (Caryl) by the 15th of the month, or can be brought to the regular meeting, monthly breakfast or board meeting.

Some material printed in this newsletter may have been borrowed from other publications. I want to thank other clubs for sharing their newsletters with us. I'm happy to share our articles and other information in their newsletters.

Articles may also be phoned in or e-mailed to Lavender41255@gmail.com or (541) 497-9485

What does Henry have to say?

Ford was devastated when his mother died in 1876. His father expected him to eventually take over the family farm, but he despised farm work. He later wrote, "I never had any particular love for the farm—it was the mother on the farm I loved."

In 1879, Ford left home to work as an apprentice machinist in Detroit, first with James F. Flower & Bros., and later with the Detroit Dry Dock Co. In 1882, he returned to Dearborn to work on the family farm, where he became adept at operating the Westinghouse portable steam engine. He was later hired by Westinghouse to service their steam engines. During this period Ford also studied bookkeeping at Goldsmith, Bryant & Stratton Business College in Detroit.

Happy Thanksgiving
