MODEL-A RATTLES

Albany Enduring A's Chapter of MAFCA

2020 Issue 3 March

From the President's Desk

Hello Everyone,

Didn't last month seem long with that extra day we had? I hope everyone enjoyed it as much as I did!

We are having a large number of people attending our monthly breakfasts at Pop's. On the 15th, we had 36 people in attendance. After breakfast, Charissa & Nick lead 30 of us to Helicopter Transport Services in Aurora. The weather did not cooperate with us so, we did not have any Model A's on the tour. Once again, we were given the VIP tour of the facility and everyone enjoyed it.

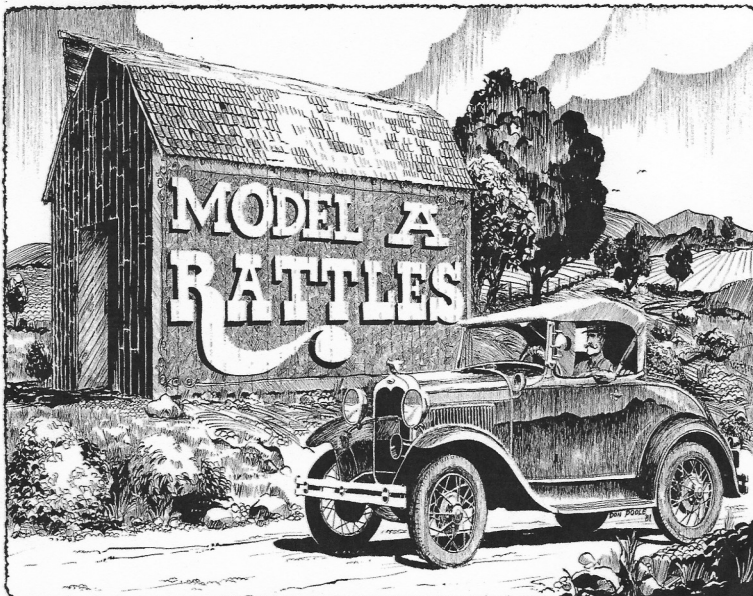

Speaking of breakfast and tours on the 21st, after we eat, we will be touring to the Daffodil Festival at the Long Tom Grange in Junction City. This event has live music, daffodil sales, wagon rides, hot food, raffles, and a very scenic country road to travel on. We are still in need of a person to lead us to this event.

Bev Smith has volunteered to be our Sunshine Person this year. Please contact her if you know anyone that needs a little "Sunshine". We also have three open spots we need to fill for the refreshments at our general meetings at the library. Next month we have some exciting things coming up. Please, check the Newsletter for the events, times, and locations. We still have openings for members to step forward to lead future tours and suggest programs.

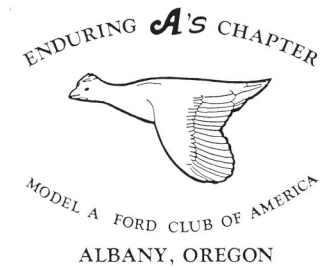

Our general meeting for March will be at 7pm on Wednesday the 4th, at the Albany Library. This meeting currently does not have program. If you have anything that you would like to share for a program, please let us know.

Hope to see all of you at the meeting!

Rolie Young, President
